**MATTHEW 24:14**

# Who We Are

We are a community of like-minded organizations, churches and believers who have made a commitment to a shared vision of every unreached people and place engaged with an effective kingdom movement strategy by December 31, 2025

## Distinctives

1. Reaching the Unreached
2. Church Planting Movements
3. Urgency
4. Collaboration

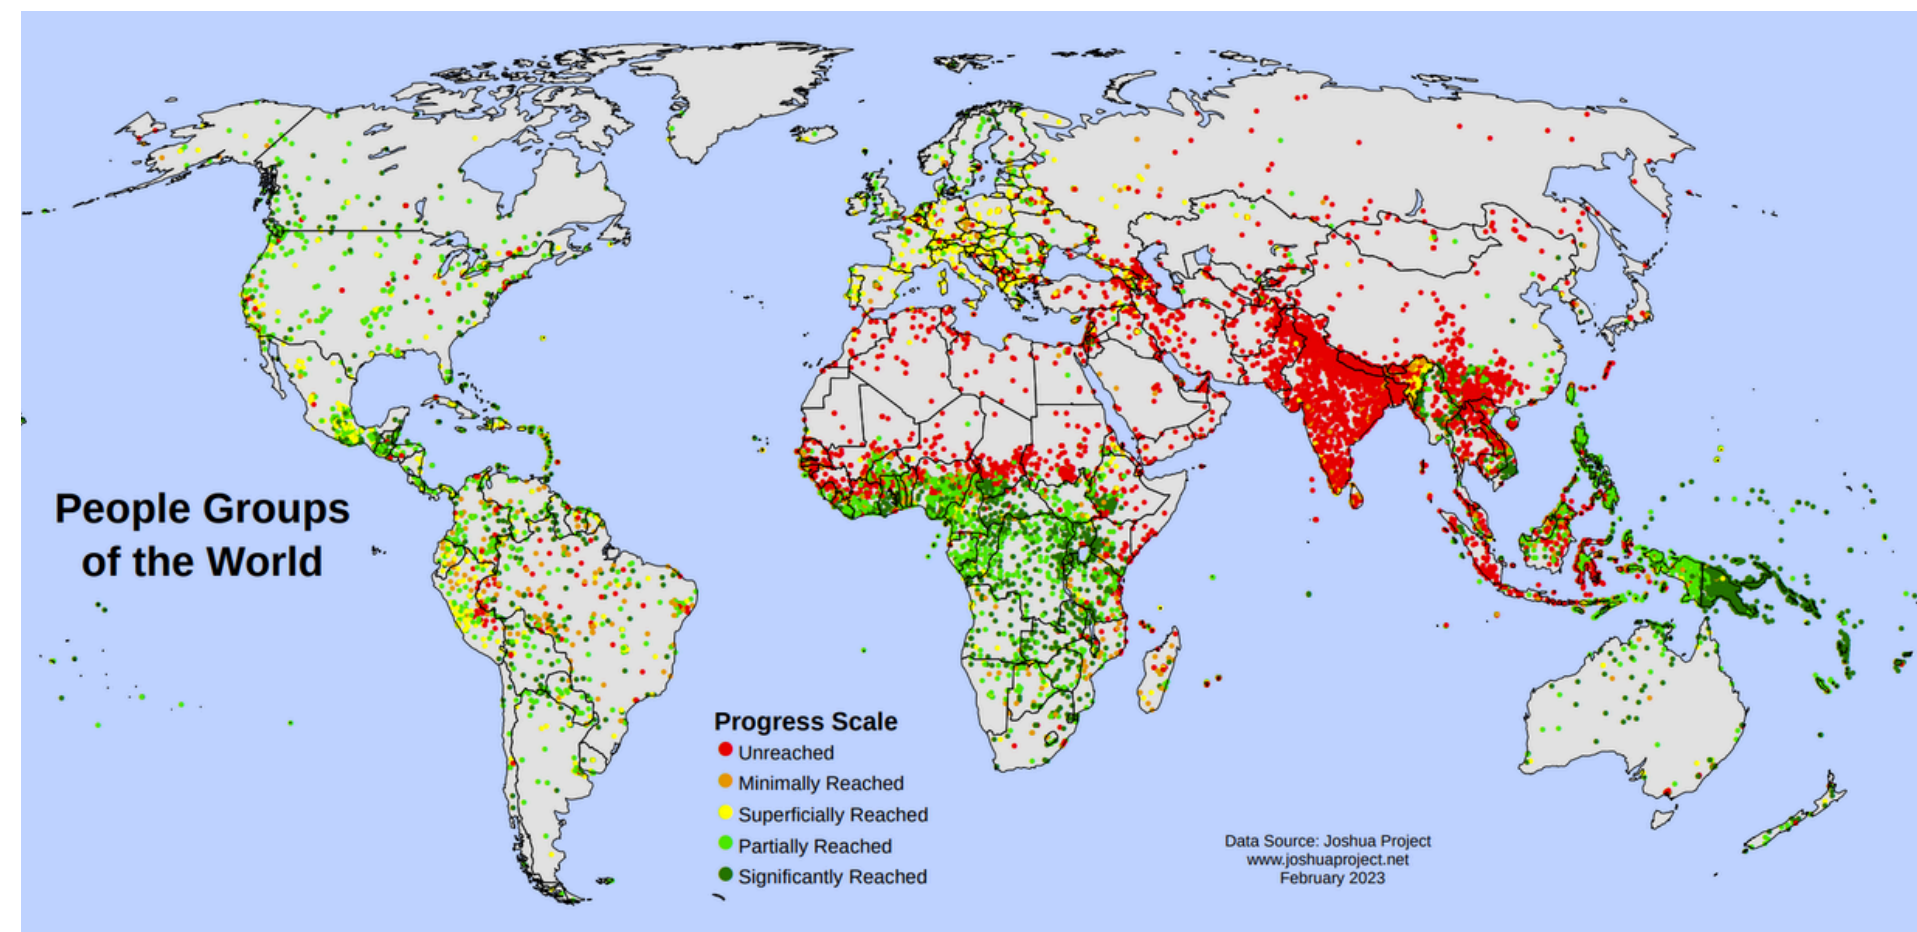

# 24:14

# State of the World

- 3.4 billion people in 7,244 unreached people groups (< 2% Christian)
- 2 billion people in frontier unreached groups (< 0.1% Christian)
- Global pop. growth 1.2% > Church growth 1.18% (last 20 years)

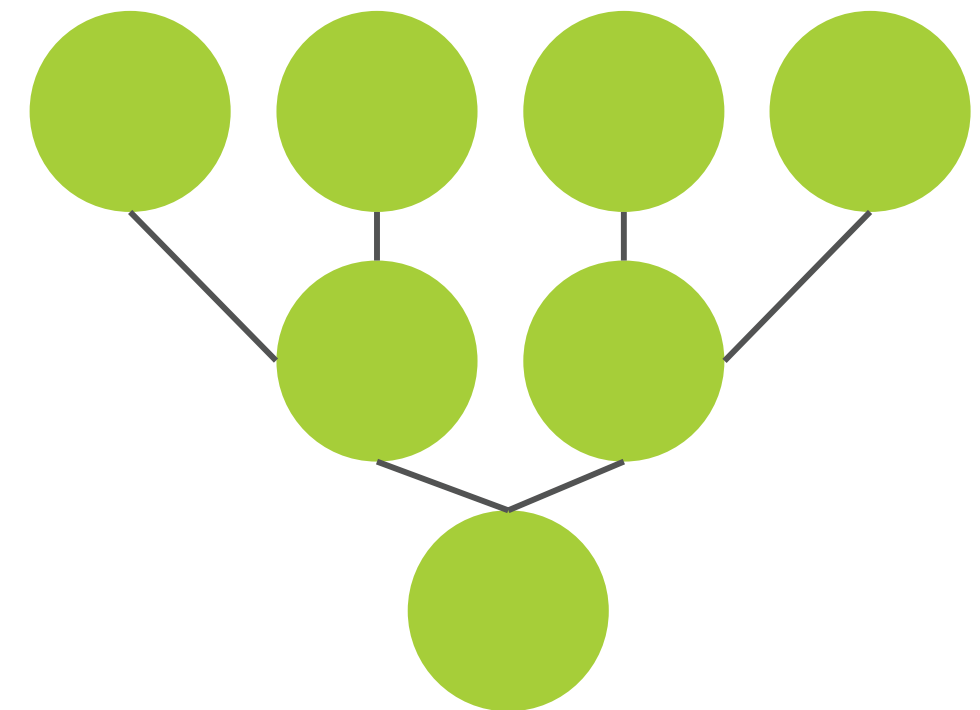

The  
unreached  
deserve our  
urgent  
attention!

# Kingdom Movements

Multiplying processes of disciples making disciples and leaders developing leaders, resulting in indigenous churches planting more churches. When **consistent, multiple-branch fourth+ generation reproduction** of churches occurs, church planting has crossed a threshold of becoming a **sustainable movement**.

**Movements are the only way we know of to see the Gospel advance faster than population growth in the unreached world!**

# CPM Continuum

**1 - Moving purposefully (G1)** Team on site trying to consistently establish NEW 1st generation believers & churches

**2- Focused (G2)** Some 2nd gen churches (G1 believers started them)

**3- Breakthrough (G3)** Consistent G2 & some G3 churches

**4- Emerging CPM (G4)** Consistent G3 & some G4 churches

ESTABLISHED CPM

**5- CPM** Consistent 4th++ generation churches; multiple streams

**6- Sustained CPM** Visionary, indigenous leadership leading the movement with little/no need for outsiders. Stood test of time.

**7- Multiplying CPMs** Catalyzing new CPMs in other unreached peoples and places

# Progress

**Initial Vision\***: Every unreached people and place engaged with an effective kingdom movement strategy by December 31, 2025

**Good advancement, but plenty still to do**

Kingdom Movements in...

- every continent, both rural & urban contexts
- all affinity blocs & worldviews
- 222/271 people group clusters

\*next phase of our vision will be discerned at our global meeting in 2026

# Where are Movements?

## Number of Movement Disciples in Each Region

# Challenges

**Segmentation:** unreached people groups are complex and will almost certainly require multiple movements per people group

**Percentages:** the traditional 2% threshold for considering a people group reached may be too low

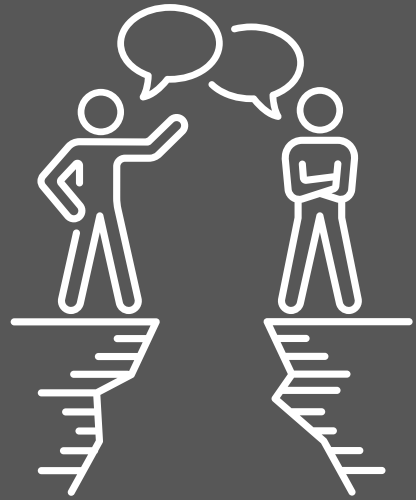

**Urbanization:** 56% of the world lives in cities which can be logistical challenges for church planting

**Funds:** the global church spends only a tiny fraction of their wealth on reaching the unreached
